1

If a fox was attacking your best friend in your Clan, what would you do; yowl for help, fight for the other cat, run off?

2

[image]

If a kittypet wondered into your Clan's territory while you were taking a alone walk, you; defend the territory and warn the kittypet, attack the kittypet, or tell your clan?

3

If a pack of dogs were attacking you and you were trapped, you; let the dogs kill you, attack back, or yowl for help?
